Let It Be Me

Opener:

Sides face Grand Square

I bless the day I found you, I want to stay around you
Now and for always, let it be me
All 4 ladies promenade inside the ring now
Back home swing and promenade now
Now and for always, let it be me

Twice for heads and twice for sides

Square thru 4 hands you go now
Make a right hand star and turn it once around now
Star by the left now, meet the corner slide thru
Square 3 hands around now, swing the corner promenade now
Now and for always let it be me.

Middle break

Circle left Each time we meet love I feel complete love
Without your sweet love where would life be
Alem. And weave. Don't ever leave me lonely
Tell me you love me only now and forever ,let it be me.

Closer

Each time we meet love I feel complete love
Without your sweet love where would life be
Alem and weave. Don't ever leave me lonely
Tell me you love me only. Now and forever.
Let it be me. Now and for alwas let it be me
