**OPENER Sides Face ( Grand Square )**

I love to go a wandering along the mountain track  
And as I go I love to sing, my nap sack on my back  
Allemande and weave...val-deri vel-dere...swing and promenade the ring  
Val-deri val-deri... my nap sack on my back

**FIGURE ( TWICE FOR HEADS ) ( TWICE FOR SIDES )**

Hds. Promenade all the way around the ring.....sides square 4  
4 hands and then tch. A quarter....scoot back  
Boys fold...girls turn back....that corner swing  
Swing and promenade that ring  
Val-deri val-deri that nap sack on my back.

**MIDDLE BREAK ( Sides face Grand Square )**

I love to wander by the stream that dances in the sun  
So joyfully it calls to me, come join my happy song  
Allemande and weave...val-deri vel-dere...swing and promenade the ring  
Val-deri val-deri... my nap sack on my back

**CLOSER ( Sides face ( Grand Square )**

I wave my hat to all I meet and they wave back to me.  
And black birds call so loud and sweet from every green wood tree  
Allemande and weave...val-deri vel-dere...swing and promenade the ring  
Val-deri val-deri... my nap sack on my back my nap sack on my back.
