SPLISH SPLASH

Opener – Sides Face Grand Square

Splish Splash, I was taking a bath,
Long about a Saturday night
A rub dub, just relaxing in the tub
Thinking everything was right, Allemande and you Weave
I stepped out the tub, put my feet on the floor
Wrapped the towel, you swing and promenade, opened the door
Splish Splash, I jumped back in the bath
How was I to know there was a party going on

Twice for the heads and

Head promenade you travel half-way in time
Lead right and circle four, make a line
Go forward up and back and do the right and left thru
Now Flutterwheel across, Sweep 1/4 too
Pass thru and trade by and go allemande
Walk back one and promenade you walk hand in hand
Splish Splash, I jumped back in the bath
How was I to know there was a party going on

Twice for the sides

Splish Splash I forgot about the bath
I went and put my dancing shoes on

Middle Break - Heads Face Grand Square

Bing Bang, I saw the whole gang
Dancing on my living room floor
Flip Flop, they was doing the bop
They were all dancing there, Allemande and Weave the ring
There was Lollipop with a Peggy Sue
Good Golly Miss Molly, Swing and promenade her too
Splish Splash, I forgot about the bath
I went and put my dancing shoes on

Closer

4 Boys you promenade go inside the ring
Back home and swing Miss Molly go round
Join your hands and Circle to the left round I sing
Left allemande come on and weave round the ring.
There was Lollipop with a Peggy Sue
Good Golly Miss Molly, Swing and promenade her too
Splish Splash, I forgot about the bath
I went and put my dancing shoes on
