Opener & Middle Break - Sides Face Grand Square

I met the girl I love, in a town way down in Dixie
'Neath the stars above, the sweetest girl I ever did see
Then I held her in my arms, told her of her many charms
Kissed her while the music played, (Four ladies chain over and back)
It was on that night, I held her oh so tight
Then I heard her say, (Promenade) But don't you go away
So I held her in my arms, told her of her many charms
Kissed her while the music played "Bonaparte's Retreat"

Figure

Heads (Sides) Promenade Halfway, Go Walkin' Round the Ring Now
Heads (Sides) Pass Thru, Separate, Round One to a Line of Four
Up To the Middle and Come On Back, Star Thru (Slide Thru) and Zoom
New Centers Square Thru, You Count $\frac{3}{4}$ Round You Go
Allemande Left That Corner Girl, and then You Walk By One
Swing the Next Girl Round & Round, and Promenade Go Round the Town
So I held her in my arms, told her of her many charms
Kissed her while the music played "Bonaparte's Retreat"

Note: The above Figure is a RIGHT-HAND LADY PROGRESSION
