

Rings On Her Fingers

TNT 191 Caller:Jim Harris

OPENER - MIDDLE BREAK - CLOSER

Now the 4 little ladies chain
Oh, it's straight across that land
You join hands, circle to the left there man
Ladies in, men sashay, circle left like that
Ladies in, men sashay & circle around the track
And then you allemande that corner girl
You weave around the ring
When you meet that lady, oh you promenade and sing
Rings on her fingers, bells on her toes
She will have music no matter where she goes

FIGURE

1 & 3 (2 & 4) square thru just 4 hands you go
That corner lady dosado, go full around you know
Touch 1/4, you walk & dodge & then
Partner trade, the ladies chain straight across my friend
Slide thru & now that corner girl you swing
Swing that corner lady & promenade the ring
Rings on her fingers, bells on her toes
She will have music no matter where she goes
