MOCKINGBIRD HILL

BREAK:

Four ladies chain three quarters around you go
Join your hands circle to the left around you know
Roll the girl a half sashay, circle to the left and then
Alemand left with the corner, and weave around the ring
Tra-la-la, Twiddle-dee-dee with peace and good will
Do dosado when you meet her and promenade the ring
Tra-la-la, Twiddle-dee-dee it gives me a thrill
To wake up in the morning on Mockingbird Hill

FIGURE:

Heads (sides) square thru, go four hands you know
Around the corner girl you do a little dosado
You touch a quarter now walk & dodge somehow
Do partner trade and then right and left thru my friend
Pass the ocean, now recycle you know
Swing the corner girl and promenade her home
Tra-la-la, Twiddle-dee-dee it gives me a thrill
To wake up in the morning on Mockingbird Hill
