TAKE ME OUT TO THE BALLGAME

(Opener/Middle Break)

Sides face, grand square.

Take me out to the ballgame, take me out with the crowd, buy me some peanuts and cracker jackers, and I don't care if I ever come back.

All four ladies promenade, you go once around the ring, back home, swing the man and promenade.

For it's one, it's two, it's three strikes you're out, at the ol' ball game.

(Figure)

1 & 3 (2 & 4) promenade go halfway around the ring, come down the middle and do the right and left thru, flutterwheel around the floor, then you sweep a quarter more, pass thru, right and left thru and turn that girl, veer left, ferris wheel, pass thru, swing the corner lady and promenade.

For it's one, it's two, it's three strikes you're out, at the ol' ball game.

(Closer)

All four ladies promenade inside the ring, get back home, swing with that man, join hands, circle left, circle left my friend, left allemande the corner, weave around the ring.

Where we'll root, we'll root for that home team, and if they don't win it's a shame,

For it's one, it's two, it's three strikes you're out, at the ol' ball game.
